REQUEST FOR INFORMATION under 37 C.F.R. 1.104(d)2

This Request for Information is submitted in response to the Final Rejection Office Action of September 25, 2006. Applicant has diligently read and studied the Office Action and the references cited.

The Examiner rejected claims 1-3 under 35 U.S.C. 103(a) as being unpatentable over a reference cited as Avery Index Maker Packaging of *Avery Dennison* in combination with several other references. When a rejection in an application is based on facts within the personal knowledge of an employee of the Office, the data shall be as specific as possible and the reference must be supported when called for by the applicant. Applicant respectfully requests an affidavit supporting the Examiner's position that the product cited above was made publicly available previous to more than one year before the filing date of the application from which the instant application derives priority.
